Loss, \$13,220; insurance, \$75,000. The new St. Thomas's Church on Fifth-ave. and Fifty-third-st. will be dedicated on Thursday. Patrolman Philip Fitzpatrick of the Thirteenth Precinct died last evening of consumption

Books for taxes on personal property and bank stock will be open for payment on Thursday, at the office of the Receiver of Taxes. The Bachelors' Club of the Seventh Ward

gave an entertainment on Saturday evening, at their rooms, No. 15; East Broadway. City Chamberlain Bradley has paid into the

City Treasury, for September, as interest on the city and county funds, \$10,497. The sloop-of-war Brooklyn, lying in North River, fired a salute of 13 gans on Saturday, in honor of a visit from Admiral Porter.

A large trunk, containing ladies' wearing apparel, was found by the police yesterday morning in front of No. 432 East Fifteenth-st. The concert last night in aid of the German

Patriotic Fund drew to Steinway Hall one of the largest audiences ever seen in that building.

Mr. Augustin Daly of the Fifth-ave. Theater protests to the Board of Aldermen against the passage of an ordinance licensing theater ticket speculators. The marble statue of Prof. Morse, when

erected in the Central Park, is to be sheltered by an ornamental iron dome, supported by four Corinthian columns Merrick Price, said to have been concerned in the warehouse frauds at Nos. 516, 518, and 620 Wash ington-st. has given ball in \$8,000 to await the action of the Grand Jury. The Typographical Society has reëlected

Messrs. Bessy, Ross, Hull, Miller, McConless, Buchanan, and MacNeil Directors, and Mr. George Parsons Treasurer, in place of Mr. J. G. Ciayton who is dying. A. Barthold's stock of foreign fruits, on the

third floor of No. 40 Broad-st., was damaged \$600 by fire on Saturday. Nathan Stelson's stock of cut mails was damaged by water. Damage to the building, \$500. The Free Labor Bureau reports for the week

ending on Saturday: Number of men applied for employment, 15t; women, 75s; men required, 125; women, 86s; situations were procured for 116 men and 774 women. The price of mitk in this city for October

will be 12 cents a quart. The farmers of Orange, West chester, Putnam, and Duichess Counties have, until heast week, charged 15 cents a quart, and now propose to get six cents a quart. Last evening, Detectives Tilley and Walling

of the Central Office arrested, in Brookiyn, Maggie Line-ban and Lizzie Parcell, and recovered two dresses, val-ned at \$500, which they had stolen from a house in East Mershal Hart, last week, granted 576 licenses ad received \$574 75. Chief of the Ordinance Bureau, G.

D. Cardozo, reports receiving in the same time 266 com-plants for violations of the Corporation ordinances. Of these 120 were settled and 275 referred to the Depart-ments. The people of Harlem are loud in their com-

plaints of the fat-boiling establishments in the neighborhood of One-hundred and sixth-st., and ask for their immediate suppression. Residents of Beckman Hill say that the Forty-sixth-st. establishments could be dis-

The Ice Consumers' Association has been formed, with the purpose of supplying the increased deformed, with the purpose of supplying the increased de-mand for ice, at a fair profit to shareholders, and at a price which will piace it within the reach of all. The capital stock of the Association has been fixed at \$500. 609, divided into shares of the par value of \$50 each, with a view of giving an opportunity to families and small consumers to become shareholders.

With reference to the championship billiard match between Rudolphe and Dion played May 31, it is denied that there was any transfer of the forfeit money to a committee composed of Messrs. O'Connor, Bryant and Doyle. On the contrary it is asserted that the com-mittee had no authority whatever, and it is further averred that all the concessions made on that occasion were made by Rudolphe.

Six thousand three hundred and ninety-seven imigrants arrived last week-about double the number of any previous week since the commencement of the French-Prussian war. The Germans are now coming in considerable numbers. In August the Irish immigracts numbered 5.389, the German 3.30, the English 3.549, and the swedes 1,004; total immigration for August, 19,471; same month in 1869, 21,357.

The new public market between Sixteenth and Seventeenth-st., in Avenue C, was opened on Saturday, but the stalls were completely empty. The building is brick, one story high, with wooden trusses and iron columns. It is 500 feet long, and occupies the whole block fronting the East River. It cost about \$500,000. Two-thirds of the stalls have already been rented and Controller Connolly is prepared to dispose of the other third.

John Stillson, late a bookkeeper in the employ of Messra. Connor, White, & Blagden of No. 50 Williamst, was brought before Alderman Coman at the Tombs yesterday, on a charge of embezzlement. It is alleged by his employers that he has within two years appropriated sums amounting to \$16,000 or over. As the complaint had not the requisite proofs, Stillson was committed to await examination. He is 26 years of age, and resided at No. 129 East One-hundred and-sixteenth-st.

The first meeting of the Directors of the Mount Sinai Hospital to fill the vacancy caused by the death of its late President, Mr. Benjamin Nathan, took place yesterday, and the Hon. Emanuel B. Hart the Vice-President was unanimously elected. The Hon. Samuel A. Lewis was chosen Recording Secretary. Mr. John M. Lawrence Financial Secretary; Mr. Lewis May remains Trensurer. The Committees for the Fair maid of the new Hospital building reported that arrangements are progressing favorably and that the Fair will be held at the 22d Regiment Armory at the end of November.

The 350 copperplates from which were printed the beautiful work known as "Audobon's Birds of America" have not yet been sold. Mr. Putnam, the publisher, who has charge of the plates to dispose of solely for the benefit of Audobon's widow, has experienced some difficulty in disposing of them to the Board of Education. He is, therefore, entertaining a proposition to dispose of the plates by private sale to a publisher in Philadelphia. Collectively the plates weigh over 600 pounds.

The first mate of the steamship Europe, Archibald McClelland, charged with having struck A. Van Horu, a revenue inspector, while in the discharge of his duty, was on Saturday held in \$1,000 bail by Commissioner Stillwell. It is claimed that the complainant was as the gang-plank of the vessel, lying at Pier No. 20 torth River, with a number of other persons, whom the dischart ordered off; but the revenue officer refused to dischart of the defendant alleges, drew a revolver, when the latter struck him, fearing injury to himself. A .-- NOTICE TO THE PUBLIC. FEVER AND AGUE IN NEW-YORK. A GREAT BLESSING TO SUFFERING HUMANITY.

RADWAY'S READY RELIEF CURES CHILLS AND FEVER, FEVER AND AGUE. Why It Cures-How It Cures.

It not only cures the patient seized with this terrible for to settlers is manyle actived distracts, where the malaria of ague exists, but if people exposed to it will every morning, so getting out of bed, take 20 or 30 drops of the Ready Relief in a glass of water and drain it, and eat, say a cracker, they will assupe attachs. This must be done before going suit.

We have traveled in the worst ague districts in the United States, and, by following this course, even when Typhoid and Interstition Fevers. Small Pox. Asiatic Choicra, and other malarious vapons arising fress it carries to perfectly harmices—the reason of this is that is the morning the lactual lotarmitating vessels and absorbents are active, and whatever is inhaled in the system or taxon on an exapty stemach is sore to inhale this malarious poison, and the absorbents at once take it up an increasing the through the system. The Realy Resiefs being a SEUTRAIL

IZER DISINFEGTANT, INTRAVENT STRUIMS, the series of the malaria.

The THUE PROPERTIES Of the READY RELIEP being a COUNTRE-IRRITANT. DISINFEGTANT, TRENIFUE, ANTI-ACID, DISPUSIVE STIMULANT, NERVINE, TONIC, ANTI-SPARMODIC, Av., Intalla every requisite essential for the cure and proceeding of the terror—Fever and Ague.

Now, reader. If we keepe not absolutely certain that Redwar's Ready. IRRITANT BISINFRICTANT FEBRIFUGE, ANTI-ACID MIPUS-SIVE STHULLANT. NEBVINE TONIC, ANTI-SPASMONE, Ac., failills overy requisite essential for the cure and prevention of this terror—Fewer and Aque.

Anti-Brancher, I we learn not absolutely certain that Radway's Rendy Relief is a batter cure for fewer and ague than all the remedias and cure accordance we would not recommend it not risk our requisition—for you have been accordance are hundreds of other complicates where the first is well-had a smalledest to make it prized and secure its place in every household; but it now him; its curstive power in this class of diseases, we feel it serious to make it known. It neutralizes the acid of agree—it is admitted by all well-informed monologies and pathologies that the maintain of agree is an acid; it disinfects the malaritons and acid game generated in the etciment from the malarita of agree it touckens the circulation of the blood, that has been checked and diorgent in the vessuls from the malarita; it arouses to healthy action the liver, splien, and gastric organs—importing strength and visality to the gustice passes and gastric organs —importing strength and visality to the gustice passes and according presentated and drormant from the deadly influence of the malarita, in a course to the deadly influence of the malarita, and strength of the deadly influence of the resists. In these cases of the resists, in these cases are also gastry throughout the exists. In these cases of the resists, in these cases it is necessary to regulate the fiver, splient, stemash, akim, and strikes out over particle of small there, so as the fewer and argue in a second of the relief of a the formation where it is not the proposal of the second of the relief of a the formation and of the relief of the formation that any except the relief of a the formation, and the fewer and argue in a second of upons by a complete of the formation, and the fewer and argue in a second of the passes.

Now let any person action who lever and argue, as soon as the terms off or the chill on, take a teaspoonful of READLY REALEY, in order, every hour for at hours, and rub the spine of the back with the REALEY clear. Follow this up every day. Those that are subject to attacks revery day or at longer periods, it will do more good than all the quinter every day or at longer periods, it will do more good than all the quinter and the remarks of the world. That READWAY'S PILLIS is in proposed every night, and a care will soon be made; after which a temporari of READY SELLEY in water, three or four times a day, before meals, and two or three of RADWAY'S PILLIS at night, with protect every settler in agee districts against attacks. Let this be done if you wish to avoid attacks of feets and arout or any other malarious feeters.
